Instructions for Parking / Check In

-

You will not check in at our store location but with your captain at the dock.

-

PARKING LOCATION: To reach us, drive toward [100 Wahweap Blvd, Page, AZ 86040](#). As you approach, you'll pass the Lake Powell Resort on your LEFT. Continue driving past

the traffic cones and the inspection building, where you'll see a digital sign indicating that the Wahweap Launch Ramp is closed. Keep going until you reach the bottom of the launch ramp, marked by large traffic barricades. Parking IS allowed on the LEFT side of the ramp, so disregard any, "No Parking" signs indicating towing. This [Google Maps link](#) will take you to the parking location. This [Apple Maps link](#) will take you to the parking location. This [Waze link](#) will take you parking location.

-

CHECK-IN Procedure: Once parked, walk below your car down a sandy slope onto the LEFT, grey floating dock and look for the boat with a neon green flag. This is where you will check-in with your captain. Please arrive at the dock 15 min before your departure time.

WE START ON TIME. IF YOU ARE NOT PRESENT 10 MINUTES BEFORE START TIME, YOU FORGO YOUR SPOT AND NO REFUNDS WILL BE GIVEN.

Cancellations:

We have a 72-hour cancellation policy. This means that you have up until 72 hours before your reservation to cancel and receive a full refund.

It is required that passengers are physically able to walk the distance of approximately 400 yards to and from the parking location to the boat and can step into and off of the boat.

ALL VEHICLES will be required to present a Glen Canyon Park pass upon entrance to the Glen Canyon Recreation area. This can be purchased at the booth on your way into the park. If you already have an Annual National Park Pass, this will work to get you in.

We do not guarantee sunshine and blue skies and will not reschedule excursions or offer refunds after the cancellation period for any such requests due to grey skies or lack of sunshine. We reserve the right to cancel excursions due to inclement weather or unsafe conditions as deemed by Lake Powell Experience (LPX). Inclement weather i.e. strong winds, heavy rains, and lightening is determined by our captains who regularly reference hourly radar. While radar does not accurately predict weather

conditions 100% of the time, it is used as a reference and judgement calls are made accordingly. Customers agreeing to reserve activities acknowledge that weather cancellations are made solely at the discretion of the captains at LPX and not at the request of passengers. If LPX cancels an excursion, we give our clients the option to reschedule. If an excursion cannot be rescheduled, a refund will be made. We do not offer weather refunds on multi day excursions or rentals.

Individuals with extenuating circumstances i.e. unforeseeable medical conditions, life changing events, or travel interruptions rendering inability to participate in scheduled activity must provide verifiable documentation UPON cancellation to be considered for refund eligibility when requests to cancel are made within 72 hours of scheduled activity. It is expected that customers who book activities/rentals with LPX have read and agree to this cancellation policy upon making reservations. Any disagreements with LPX cancellation policy after a reservation is made are grounds for surrender of booking without refund.

It is required that an e-waiver (assumption of risk document) be signed for ALL passengers PRIOR to boarding LPX equipment. The link for this is found in your confirmation email. Failure to comply may result in forfeit of booking without refund.

Our excursions start ON TIME. Failure to arrive at the dock least 10 minutes before your start time means you forgo your excursion and will not be eligible for a refund.

Additional time will not be added to for private excursions or rentals due to late arrivals or start times nor will partial refunds be given due to late arrivals or start times.

LASTLY: We do not guarantee sunshine and blue skies and will not reschedule excursions or offer refunds after the cancellation period for any such requests due to grey skies or lack of sunshine.
